

como se dar bem nas apostas esportivas

Plays: this is the number of times your Reel has been played.

It could be higher than the number of accounts reached, since some users may watch your Reel more than once. That's a good sign that they really like your content.

In general, you can expect to earn anywhere from \$0.01 to \$0.10 per view on Facebook Reels. However, there have been reports of some creators earning as much as \$10 per view. It's important to note that Facebook does not disclose the exact formula for calculating how much money creators earn per view.
